Pack Fee: The Pack Fee is \$42. The Pack Fee covers the Council fee (\$7), insurance (\$3), a subscription to Boy's Life (\$9) and Pack activities (\$23). If another boy in your family will receive Boy's Life next year and you do not want an extra subscription, deduct \$9 from the Pack Fee (\$33). **Checks should be made payable to "Cub Scout Pack 98."**

Den Fees: Are set by the individual Dens. These fees cover supplies and materials used during Den Meetings.

INSTRUCTIONS

Return this Form and the Family Medical Form your Den Leader no later than March 15, 2002. These forms and your registration check are all that is needed to ensure your son's place in his den.

PARENTAL INVOLVEMENT

As you know, the Pack is run entirely by parents. There is no paid staff. Consequently, the success of the Pack and, more importantly, your son's experience in Cub Scouts, depends entirely on the involvement of parents. This not only keeps the Pack fees down, it results in a more meaningful experience for the boys.

Set forth in the table below is a list of all of the open Pack positions. A description of each position appears in the accompanying document, entitled "Job Descriptions." Please review that document carefully. Each position has a "point value" as indicated in the list of Job Descriptions:

OPEN POSITIONS (points as indicated)	
Leadership/Chair Positions (2 points)	Committee Members (1 point)
Assistant Cubmaster	Family Camping Committee Member
Assistant Committee Chair	Outings Committee Member
Newsletter Chair	Service Projects Committee Member

While we recognize that not everyone can devote the same level of commitment to the Pack, we do expect a minimum level of effort from each family. **Specifically, to be able to offer the same level of activities as we have done in the past, each family is expected to volunteer for at least 2 points.** If you are unable to make such effort, please indicate in writing below:

I will not be able to volunteer because: _____

With the foregoing in mind, please indicate which positions your family is volunteering for, **listed in order of priority**; this will help us if too many people volunteer for certain positions. If that occurs, we will contact you to discuss other ways that you can help.

1. _____
2. _____
3. _____
4. _____

In fairness to all in the Pack, we will not be able to accept your Registration Form unless you either volunteer for the requisite number of points or explain why you cannot.
